## To Whom It May Concern

This letter we recommend for attention of Quality Control Dept., Laboratory or R&D Dept.

Dear Sirs,

I am glad to inform you that Górka Cement Ltd introduced the Factory Production Control system, which was certified by the Construction Technology Institute (ITB).

By that fact a high quality of the production organization of the Company was confirmed as well as compliance of the Gorkal 40 and Gorkal 50 cements with the norm PN-EN 14647. Following the annotations of the harmonized norm we are obliged to introduce changes in the documentation confirming the quality of Gorkal 40 and Gorkal 50.

From the **1<sup>st</sup> of May 2008** the documents attached to the delivery of Gorkal 40 and Gorkal 50 cements will be a **copy of the possessed Certificate** and a **copy of the issued Declaration of Conformity**.

From the **1<sup>st</sup> of June 2008** to each delivery of Gorkal 40 and 50 cements a **copy of the Declaration of Conformity** will be attached.

From the **1<sup>st</sup> of July 2008** deliveries of Gorkal 40 and 50 cements will be executed **without any additional documents** confirming the quality of the product.

All the documents important from the point of view of the quality of Gorkal cements are available through our webpage **www.gorka.com.pl** in the Technology/Certificates bookmark.

In case of any questions please contact our Chief Technologist, Manager of the Quality and Technology Dept, Mr. Wojciech Kagan (email: [wkagan@gorka.com.pl](mailto:wkagan@gorka.com.pl), phone 0048 32 758 1032) or the undersigned.

Sincerely yours,
